

Safe Rubber Step Tread

Thank you for choosing our Safe Rubber Step Tread. We hope you will be satisfied with your purchase.

These slip-resistant Rubber Step Treads provide extra grip and added protection from slippery surfaces on each step. Crafted from hardwearing black rubber to create an intricate wrought-iron effect, they look attractive and help to collect dust and dirt from outdoor shoes. Easy to clean and self-adhesive, simply peel the backing underneath each mat and secure in place.

Can be used in both wet and dry conditions.
